**Principal’s report**

This is the final week in my role as Acting Principal, I would like to say thank you to the school community who have been so supportive during my time in the office.

Special thanks must go to Mrs Jenny Nowak and Mrs Claire Bailey who worked in the grade 3/4 for most of this term, they’ve been wonderful. Next week we welcome back Ms Lynn who has spent most of her long service leave touring Europe. I am sure she has had a truly relaxing time overseas.

**Grade 5/6**

On Tuesday the 3rd Grade 5/6, Mrs Gamble & Julie went to Heyfield to compete with other schools; three girls chose netball, Emma, Jarrah and me Chelsea. We had lots of fun. Of course there weren’t enough of us to play but we played with Boisdale and called ourselves Boisford! There were eight games and our...
team won two of them. We had eleven girls in our team so we would swap at half time; there were seven on at a time and four off just watching. It is really fun and you make lots of new friends. Chelsea

**Football**

At Heyfield on Tuesday the 3rd we played football, we won two games and lost two games. It was awesome!

“We had fun and the other teams played good games” Malcolm.

“I got to tackle someone for the first time!! Grace”

“I loved the other player’s sportsmanship for helping us to fill a team.” Cohen

**T-Ball**

On Tuesday the 3rd grade 5/6G went to Heyfield and played winter sports. On the t-ball team there were only 7 people, we were lucky enough that some of the other teams took off some people so the fielding would be fair. On the team there were Chelsi, Shakira, Becky, Emily, Dylan, Jack and me Elody. The first game we played was against Boisda and Briagolong combined, we lost with the score of 4-8. Next we played Heyfield and St Michaels combined, it was a draw both scoring at 15 runs each. Then we went and had a lunch break. After lunch we played St Marys we lost by 1 point! With the scores of 8-9 then last we played St Patrick’s and Rosedale combined we lost with the score of 7-13. We had so much fun playing t-ball.

**TEAM COMMENTS**-

“Cool” said Dylan.

“Fielding was awesome” Jack.

“Loved fielding” Chelsi.

“I had so much fun hitting the ball” Shakira.

**MSC Visit**

Yesterday we had Cooper & Kayla come to our class to talk to us about Maffra SC. Cooper told us about the library, woodwork, the canteen and the Bunsen burner. Malcolm

On Wednesday Kayla & Cooper from Maffra SC came and talked to us about what they do at Maffra. Some of the things being the homework and all the programs & classes they do there. Cooper told us about the licence and diary that they have. Murray

**Camp recount**

About a week ago we went to Rawson camp with Boisdale PS. At the start Orlando and I said to Ms Gamble “can we move cabins?” but she said “no”, but once we got to know them I think the boisdale boys were cool. The first activity was Archery; I loved it because I like Archery. Then we went to the commando course it was so much fun, we got to jump over a small wall and a big wall you also you had to balance. I liked going under a cammo rug thing. Aiden.

Beep! Beep! The whistle went, it was our turn to go and play “Tug of War”. We had lots of strong boys at the back and the front. We started and our team pulled as hard as we could, with Cory yelling ’hoove! hoove! We pulled the rope past the line and won the match! We played another six games and we figured we were the best team, even better than six teachers! It was really fun doing Tug of War and I really enjoyed it. Lachie.
