Principal’s report
Our positive School Wide Behaviour Team has been busy collecting suggestions from the students for rewards for receiving “Stratty Bucks” to acknowledge their positive behaviours. Murray has been busy printing off the ‘Stratty Bucks’ and the catalogue is almost complete. Following Parent Assembly this week the children who have received “Stratty Bucks” for their positive behaviour in the classroom and the playground will be able to ‘cash them in’ at the ARCH. To receive “Stratty Bucks” students have to demonstrate at least one of the school values of Acceptance (understanding we are all different) Respect (being caring and considerate of yourself, the community and the environment) & Commitment (always trying to do your best to get things done) and Honesty (being truthful and trustworthy). Thank you to the students and parents who have been busy organising this program.

The junior swimming program is a great success again, with the majority of students participating each week. A number of parents are taking the opportunity to watch the lessons and assist with organising the students in the change rooms so they all get back on the bus in dry clothes.

The students participating in the HPV program have been working very hard on their presentations and demonstrating their...
commitment to their training. This program would not run without the considerable effort from parents. Their final fundraiser will be a sausage sizzle on Election Day and a raffle. These funds will go back into the ‘Kitty’ for next year’s campaign.

Lots of Little Sea Creatures

Wednesday 13th November.
This very popular show with all Barry’s coastal favorites from Seadragons to Whales will also feature the struggles and adventures of Dolice the Decorator Crab, trying to find her self and a safe home in an ocean awash with scavengers and stuff.

Barry is the Paul Kelly of the underage music scene. His songs are literature with a tune, capturing the deepest ideas with uncomplicated words.
