Summer trifle

Ingredients

1 x 85g pkt Aeroplane quick-set strawberry & raspberry jelly crystals
1 sponge cake, cut into 1cm-thick slices
80ml (1/3 cup) apple juice
Strawberries, washed, hulled, halved
500ml vanilla custard
250ml (1 cup) thickened cream, whipped

Method

1. Step 1

Prepare the jelly following packet directions. Pour into a large container and place in the fridge for 1 hour or until set. Coarsely chop.

2. Step 2

Place half the sponge cake in the base of a 3L (12-cup) capacity serving bowl. Drizzle half the apple juice over the cake. Top with half the jelly and one-third of the combined strawberries. Spoon over half the custard. Repeat with the remaining sponge, apple juice jelly and half the remaining strawberries. Top with the remaining custard.

3. Step 3

Spoon the cream over the trifle and top with the remaining strawberries. Place in the fridge until required.
